Hi Everyone,

The WI22 fee payment (employment and fellowship) entry deadline for fees to be paid by the [Registration Fee Payment deadline](#) is **Friday, November 19, 2021**. Payments should be entered into the Financial Support Request Tool (FSRT) by close of business on the day of the deadline. This deadline, along with other important dates can be found in the [Graduate Financial Support Calendar](#).

### Deadlines

- **Friday, November 12, 2021** - Early bird deadline for payments to post to the December 2, 2021 student billing statement
- **Friday, November 19, 2021** - Fee payment entry deadline for fees to be paid by the Registration Fee Payment deadline

As we approach the end of the Fall quarter and prepare for Winter, please be sure to submit your department fee payment entries in the Financial Support Request Tool (FSRT).

- [AY 2021-2022 Employment Fee Remissions](#)
- Review fellowship entries using the Fellowship Status report ([Financial Support Request Tool Documentation \(see Fellowship Status\)](#))

Payments entered into the FSRT after these posted deadlines will still be processed but are not guaranteed to be posted to the student accounts by the Registration Fee Payment deadline. [Learn more about the Financial Support Unit's payment process and how we determine the entry deadlines.](#)

Kind regards,  
Courtney
