SUBJ: Important updates to the Return to Learn and HDH websites

Dear Colleagues,

Earlier today, important updates addressing COVID-19 testing and screening for all students was posted on the main Return to Learn website. You can find this updated information here: <https://returntolearn.ucsd.edu/return-to-campus/testing-and-screening/index.html>

Also, Housing, Dining, and Hospitality has just updated its Frequently Asked Questions (<https://hdhhome.ucsd.edu/hdh-covid-19-faq.html#Graduate-and-Family-Housing-Res>) resource, which now contains more detailed information about moving in, COVID testing, and other important issues pertaining to graduate and professional students who are living on campus.
