## Accessing and Initiating DocuSign Forms

1. Go to <https://docusign.ucsd.edu> (for more info on DocuSign, go to <https://blink.ucsd.edu/go/docusign>)
2. From the homepage, click on the “Templates” tab at the top of the page
3. On the left side of the page, click on the dropdown arrow next to the 3<sup>rd</sup> header, “SHARED FOLDERS,” to expand it, and then click on the folder, “Graduate Division.” This brings up all the Graduate Division templates for the various forms.
4. To begin the routing process, identify which form you need and click on the blue “USE” button all the way to the right of the form name
5. This brings up a Recipients form/list to enter the names and email addresses (active directory/institutional email address) of the recipients of the form, beginning with the coordinator, and followed by the appropriate faculty members.
  - You will need to delete recipient fields that are not applicable. For example, on doctoral forms there are fields for up to 7 committee members so you will need to delete any extra fields by clicking on the **X** to the right of text box.
  - Likewise, if the faculty advisor field is not applicable on master’s degree forms you must delete that field.
  - See below for how to delete the field and the message that will pop up. You need to confirm the delete by choosing the blue “DELETE” button.

Name \*

Email \*

**Recipient has fields**

This recipient has 2 assigned fields. By deleting this recipient, you will also delete their fields. Would you like to delete the recipient and fields?

**DELETE** CANCEL

6. At the bottom of the Recipients form, you will see this default “Email Subject” line:  
“**Doctoral Final Report - [[Student\_UserName]] - Action Required**”
  - Please modify the subject to add the student’s *major code* and *PID* (eg: Doctoral Final Report – **AN75 A23456789** Student Name – Action Required)
  - This will assist program staff and the Grad Division in organizing forms
7. You may enter a custom email message if desired, otherwise the default message will be sent.
  - Please note that the default message can be confusing for students as it says, “Please DocuSign [the form]” and students think they need to sign. However, there are only 2 forms that students sign: General Petition; Doctoral Advancement Form. You may want to forewarn students that they are copied on these messages for their information only.
8. Click the blue “SEND” button at the bottom of the page. The form can be filled out immediately via the pop-up box with the “Sign Now” button.
  - Alternatively, a link to the form is emailed to the coordinator, providing access to the form. That link can be used instead of the “Sign Now” button.
  - Or, the coordinator can access the form by going to the DocuSign *Inbox* or *Action Required* tab.
  - Click on the blue “SIGN” button on the right side of the page.
9. Check “I agree to use electronic records and signatures” and *Continue* to enter the student’s information.
10. Enter information in all fields highlighted by a red border. Hit *Finish* when you are finished. The form will be routed to the next person/s for signatures. A link to the form will be emailed to you for your records.
11. If you hit *Finish Later* to continue filling out the form at a later time, the form will appear in your *Action Required* or *Inbox*.
