Subject: [ucsd-timekeepers-L] Be Advised of Upcoming Deadlines - Less Than 60 Days Out

Greetings,

There are three important ways your department can improve its readiness for UCPath deployment at this point in time.

1. Adjust business processes to meet PPS cutover/conversion dates and deadlines
2. Make sure your transactors complete UCPath Online Training when it becomes available on UC Learning
3. Use the correct process and meet the deadline dates when extending employee appointment end dates in PPS

Remember that the most up-to-date info will be found on the website: ucpath.ucsd.edu. There is a new page providing cutover and conversion schedule and deadlines.

Thank you, in advance, for your continued support.
UCPath project team
