Subject: [pps-users-L] Important dates regarding UCPATH Cutover

As we prepare for the PPS to UCPATH conversion process, please be advised of these very important deadlines for PPS transactions and At Your Service Online updates (AYSO).

- Last date to enter monthly employees in PPS (same as monthly compute deadline): 4/23, 5pm
- Last date to enter biweekly employees in PPS (same as biweekly compute deadline): 5/20, 5pm

In addition, there are two important dates related to self-service portals:

- AYSO: Last day to make AYSO updates 4/23, after this day AYSO will only be available for inquiry access
- UCPATH Online Portal: 5/31 opens for employee access

We will continue to provide you information and detailed instructions regarding specific transactions occurring during the conversion process. Please also be advised that central Personnel offices may provide you with earlier deadlines should transactions require review or approval.

As always, thank you for your cooperation and continued support during this particularly difficult time. We hope that you are all healthy and taking care of yourself and your loved ones.
