Date: Tuesday, May 26, 2020 8:38:36 AM

Greetings!

UCPath is here! Join Summer Session and Graduate Division for an overview of the Summer Session payroll process using UCPath.

Thursday, May 28th
10am – 11:30am
Zoom details to follow

This training session will focus on specific issues for Summer Session appointments. It will not be a comprehensive training session on how to use UCPath.

Between now and May 28th, please refresh what you learned at the UCPath BootCamp by attending the Zoom-A-Day Review Sessions for Transactors (see details below).

Zoom-A-Day Review Sessions for TRANSACTORS: These 60-min zoom sessions will start Monday, May 18 and run every weekday, from 2:30 - 3:30, through the first week in June. If you have completed BootCamp, hop on a zoom call to keep that knowledge fresh. All transactors identified for provisioning will receive an email with the Zoom URL. Please check out our Collab site [UCPath for Graduate Student Employment](#) where you can find grad student-specific UCPath updates and guidance.
