Subject: [pps-users-L] UCPATH is Just Around the Corner Are You Ready?

We are just two and a half weeks out from Go-Live! The UCPATH team is providing three new opportunities for employees to be better prepared for the transition to UCPATH:

Zoom-A-Day Review Sessions for TRANSACTORS: These 60-min zoom sessions will start Monday, May 18 and run every weekday, from 2:30-3:30, through the first week in June. If you have completed BootCamp, hop on a zoom call to keep that knowledge fresh. All transactors identified for provisioning will receive an email with the Zoom URL. View the topics and schedule here: <https://ucpath.ucsd.edu/training/review.html>

UCPATH Express Zoom Roadshows for ALL EMPLOYEES: These 60 min zoom sessions will start Monday, May 18 and run every weekday, from 9:30-10:30, through the first week in June. UCPATH brings changes to everyone who works at UC San Diego. Attend a session to learn how to prepare now, where to login on June 1, and how to get help if you have questions or need assistance. 30 Days Out Suggestions for DEPT BUSINESS OFFICERS and HR CONTACTS: Learn how your department or unit can be better prepared for the transition to UCPATH by following the links suggested on the 30 Days Out Flyer available on our website: <https://ucpath.ucsd.edu/files/cutover/30-days-to-UCPATH.pdf>

Working remotely, as we all know, brings many challenges. We are sensitive to this and have tried to create materials and modalities built on flexibility and short time commitments. We've built the table, but we need you to join us. UCPATH is just around the corner - help us, help you, be prepared.

Together we do it better
