**Heads Up…**
We heard today that students who converted into UCPath with 999999999 SSNs are not able to access the different screens in UCPath. We will be submitting a single file to UCPC to update access for as many students as we can at one time.

TOMORROW we will be sending out a spreadsheet template asking for the names (and a few other identifiers) of students you know may be in this situation. Students who cannot access the information in UCPath will not be able to update home address information, direct deposit information, etc. Please keep an eye out for the request!

Thank you!!
