2021-2022 WAGS/ProQuest Awards Intake Form for Nominating a UC San Diego Graduate Student

Each year, the Western Association of Graduate Schools (WAGS) partners with ProQuest to solicit nominees in four award categories. This prestigious regional competition is an important opportunity for UCSD to showcase innovation and creativity by our graduate students. WAGS member institutions may only submit one nomination for each of the following four award Categories:

- * Innovation in Technology Award
- * Distinguished Master's Thesis Award in STEM disciplines
- * Distinguished Master's Thesis Award in Humanities, Social Sciences, Education, and Business Disciplines
- * Distinguished Master's Thesis and/or Final Master's Capstone Project Award in the Creative, Visual and Performing Arts

For complete Award Details, please refer to the Western Association of Graduate Schools (WAGS)/ProQuest Awards page on UC San Diego Graduate Division's Collab website.

Note: The Graduate Division does not assume responsibility for errors or omissions in the applicant's submission. We will do our best to review the format of the proposal; however final responsibility for format,

content, and completeness always rests with the applicant. Please proofread the application fully and connect with both the Graduate Fellowship Advisor and mentor's fund manager for additional guidance prior to submission.

The WAGS/ProQuest Award you nominating your nominee for: *

Innovation in Technology Award

Required Materials for the Innovation in Technology Award:

*

- A non-technical summary prepared by the nominee (1000-1500 words) describing the research and how it demonstrates or resulted in the development of innovative technology in the conduct of scholarship. This summary should be directed to general academic audience of non-specialists.
- An abstract of the nominee's research (not to exceed 10 double-spaced pages). Appendices containing non-textual material, such as charts or tables, may be included as additional pages. All pages should be numbered, and each should bear the name of the nominee.
- Two (2) nomination letters (not to exceed 1 page per letter). One letter from the department head or major professor and one letter from an additional faculty member. The letters should include information regarding the significance of the study, the contribution of the study to the program of the degree granting unit, and the broader impact of the innovation on the knowledge base of the discipline.
- The nominee's curriculum vitae or resume (not to exceed five pages).
- Nomination materials must be assembled in the order above and submitted as one (1) PDF Document using the following file name convention: "Nominee's Last Name_Nominee's Institution_WAGSInnovation.pdf"

Required Materials for the Distinguished Master's Thesis Award in STEM Disciplines:

*

- A non-technical summary prepared by the nominee (1000-1500 words) describing the research and its significance. This summary is intended for a general academic audience of non-specialists.
- An abstract of the nominee's research (not to exceed 10 double-spaced pages). Appendices containing non-textual material, such as charts or tables, may be included as additional pages. All pages should be numbered, and each should bear the name of the nominee.
- Two (2) nomination letters (not to exceed 1 page per letter). One letter from the department head or major professor and one letter from an additional faculty member. The letters should include information regarding the significance of the thesis, the contribution of the thesis to the program of the degree granting unit, and the impact of the thesis on the knowledge base of the discipline.
- The nominee's curriculum vitae or resume (not to exceed five pages).
- Nomination materials must be assembled in the order above and submitted as one (1) PDF Document using the following file name convention: "Nominee's Last Name_Nominee's Institution_WAGSSTEM.pdf"

Required Materials for the Distinguished Master's Thesis Award in Humanities, Social Sciences, Education, and Business Disciplines:

*

- A non-technical summary prepared by the nominee (1000-1500 words) describing the research and its significance. This summary is intended for a general academic audience of non-specialists.
- An abstract of the nominee's research (not to exceed 10 double-spaced pages). Appendices containing non-textual material, such as charts or tables, may be included as additional pages. All pages should be numbered, and each should bear the name of the nominee.
- Two (2) nomination letters (not to exceed 1 page per letter). One letter from the department head or major professor and one letter from an additional faculty member. The letters should include information regarding the significance of the thesis, the contribution of the thesis to the program of the degree granting unit, and the impact of the thesis on the knowledge base of the discipline.
- The nominee's curriculum vitae or resume (not to exceed five pages).
- Nomination materials must be assembled in the order above and submitted as one (1) PDF Document using the following file name convention: "Nominee's Last Name_Nominee's Institution_WAGSDMT.pdf"?

Required Materials for the Distinguished Master's Thesis and/or Final Master's Capstone Project Award in the Creative, Visual and Performing Arts:

*

- A non-technical summary prepared by the nominee (1000-1500 words) describing the research, artistic approach, inspiration and/or major influences, and its significance. This summary is intended for a general academic audience of non-specialists. For those submitting projects that involve a public performance or exhibition, we encourage a video recording of the event as well, so that the scope and impact of the event can be considered.
- An abstract or example of the nominee's research or project (not to exceed 10 double-spaced pages).
- Appendices containing non-textual material, such as charts or tables, may be included as additional pages. All pages should be numbered, and each should bear the name of the nominee.
- Two (2) nomination letters (not to exceed 1 page per letter). One letter from the department head or major professor and one letter from an additional faculty member. The letters should include information regarding the significance of the thesis and/or project, the contribution of the thesis and/or project to the program of the degree granting unit, and the impact of the knowledge base of the discipline.
- The nominee's curriculum vitae or resume (not to exceed five pages).
- Nomination materials must be assembled in the order above and submitted as one (1) PDF Document using the following file name convention: "Nominee's Last Name_Nominee's Institution_WAGSCreative.pdf"?
